Create a research assignment PDF titled "The Impact of Social Media on Small Businesses in South Africa".

Format requirements:

1. Use a formal academic style with Times New Roman, 12pt font, 1.5 line spacing
2. Include a title page with my name: [Your Name], Student Number: 202345678, Course: ICT Application Development, Due Date: 30 April 2026
3. Add an automatic table of contents on page 2
4. Include page numbers at the bottom right of each page, starting from the introduction
5. Structure the document with these headings: Introduction, Literature Review, Benefits of Social Media for Small Businesses, Challenges and Risks, Case Study: Local Businesses in Pretoria, Conclusion, References
6. Under "Benefits", use bullet points to list at least 4 key points
7. Include 1 table in the "Case Study" section comparing Instagram vs Facebook for marketing reach
8. Add at least 3 Harvard-style references on the last page
9. Total length should be 4-5 pages excluding title page and references

Write the full content for each section in clear, concise paragraphs suitable for a diploma-level assignment.

Why this is a good test:

1. ***Tests structure*** – TOC, headings, page numbers, title page
2. ***Tests formatting*** – Bullets, table, font/spacing instructions
3. ***Tests content generation*** – Multiple sections + references
4. ***Realistic*** – Sounds like an actual WSU ICT assignment
